

**MARCH  
AGAINST**

„MARSCH FÜRS LÄBE“

**OUR BODIES  
OUR CHOICE!**

14. SEPTEMBER 2019  
12:45 @ JOSEFSWIESE ZURICH

**On 14 September 2019 the religious fundamentalists\* call once again for a „march for live“ in Turbinenplatz. All those who fight for freedom of choice and a free life without heteronormative constraints are welcome at the counter-mobilization. Because our bodies belong to us! And especially: Our future belongs to us!**

**We believe that wltiqn\*, are oppressed by patriarchy and definitely will not benefit from it. We want free choice in reproduction, the right to free abortion, free contraceptives, free choice of contraception and free access to treatment in connection with self-determined sex adjustment.**

**Let us show them that they are not welcome and their ideas and political attitudes even less!**

**We meet on 14 September at 12.45 p.m. on the Josefwiese in Zurich** and from there we continue in the direction of Turbinenplatz, loud and disturbing.

**Our bodies our choice!**
