CALLS FOR A BIG STRIKE!**

**COLLECTIVISE STRUGLES

IN A FEMINIST WAY**

14 JUNE 2023

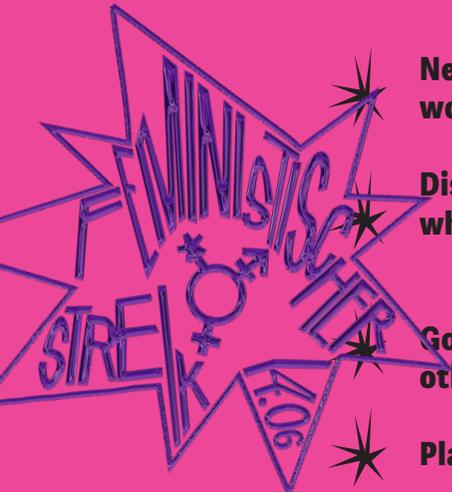

WITHOUT US EVERYTHING STANDS STILL

Given the current situation of women, lesbians, inter, non-binary, trans, agender and genderqueer, persons (Flintaq*) in Switzerland and internationally, it is time to make another big statement.

ON 14 JUNE WE GO ON STRIKE

When we stop our unpaid and paid work, everything comes to a standstill - in the factories, in the household, in our families, everywhere we move.

ORGANISE, FORM GROUPS AND TAKE YOUR RESISTANCE TO THE STREETS:

Network with your neighbours, friends, family and work colleagues.

Distribute flyers, talk to people about June 14 and what it means to you.

Go out on the streets together and support each other.

Plan beautification actions.
